I feel immense pleasure in expressing my profound sense of gratitude, sincere regards and esteemed reverence to my Supervisor Prof. Satyabrata Jit, and Co-Supervisor Prof. K.K. Shukla under whose supervision and inspiring guidance, I had privilege to carry out my research work. I am indebted to them for their constant and ungrudging encouragement, valuable suggestions and ingenious ideas. Words won't be sufficient to quantify their immense knowledge and understanding of the subject.

I also convey my sincere gratitude to Head, Department of Electronic Engineering and all the RPC and DPGC members for their suggestions and endorsement to this work. My cordial thanks to all the members of the Department of Electronics Engineering and Department of Computer Science and Engineering for creating an excellent working atmosphere.

This work couldn't be in its present form without the invaluable and seamless support of Dr. Hari Prabhat Gupta and Dr. Tanima Dutta, Dept. of Computer Science and Engineering. I am heartily thankful to Dr. Gupta and Dr. Dutta for providing constant encouragement towards the realization of this work. I also express my unboundful and sincere thanks to Prof. R. Dwivedi, and Dr. Amritansu Pandey, Dept. of Electronics Engineering, Prof. R.K. Mishra, Dept. of Electrical Engineering, and Prof. Sanjay Kumar, Dept. of Physics, BHU for their cooperation, and precious support throughout this tenure.

Finally, I deeply express my heartfelt gratitude to my parents Prof. Asha Ram Tripathi and Smt. Urmila Tripathi, my sisters Dr. Archana and Dr. Anushree, my wife Smt. Jyotikala and my son Master Anjaneya for their constant support, love, encouragement, and sacrifices. Their affectionate love and care cannot be expressed fully.

With limitless humility, I would like to praise and thank the **“Sankat Mochan Hanuman Ji”** and **“Baba Kashi Vishwanath Ji”**. The almighty, the Merciful compassionate who bestowed me with all the favourable circumstances to achieve the desired goal of life through this crucial juncture.
