

Publications from this Thesis

Journals and Conferences Papers

Journals

- **Sanjay Kumar Gupta** and Pratik Chattopadhyay, "Exploiting Pose Dynamics for Human Recognition from Their Gait Signature", *Multimedia Tools and Applications, Springer Journal*, 80, 35903-35921.
- **Sanjay Kumar Gupta**, Pratik Chattopadhyay, "Gait Recognition in the Presence of Co-variate Conditions", in *Neurocomputing, Elsevier Journal*, 454, 76-87.
- **Sanjay Kumar Gupta**, Pratik Chattopadhyay, "Pose-Based Boundary Energy Image for Gait Recognition from Silhouette Contour Information", in *Sadhana, Springer Journal*, **Status:** Submitted After First Revision.

Conferences

- **Sanjay Kumar Gupta**, Gaurav Mahesh Sultaniya, Pratik Chattopadhyay, "An Efficient Descriptor for Gait Recognition using Spatio-Temporal Cues", *International Conference on Emerging Technology in Modelling and Graphics, Springer Singapore*, 85-97, 2019, DOI: https://doi.org/10.1007/978-981-13-7403-6_10
