Acknowledgements

Embarking on the journey of obtaining a PhD has been a dynamic and enriching experience, marked by a blend of continuous learning, experimentation, and the ebb and flow of challenges and triumphs. From the experiments that yielded successful results to those that posed formidable challenges, each step has been a building block in the construction of this thesis. Amidst the stress and moments of relief, there were also instances of camaraderie, perhaps a game of croquet, and the constant rhythm of running towards the pursuit of knowledge. This thesis stands as a testament to the collective efforts of those who directly or indirectly contributed to this intellectual voyage. It is with sincere appreciation that I acknowledge the multitude of people who played a pivotal role in my journey toward this academic milestone.

I am immensely grateful to my advisor, Dr. Sanjukta Ghosh, for her unwavering support, guidance, and expertise throughout the entire journey of my PhD. Her commitment to my intellectual and professional development has been instrumental in shaping the direction of my research. Her constructive feedback, encouragement during challenging times, and belief in my abilities have been the pillars that sustained me during this demanding process. This dissertation is a testament to their dedication, and I am fortunate to have had her as a mentor.

I extend my deepest appreciation to my Research Progress Evaluation Committee, Dr. Sukomal Pal, and Dr. Anil Thakur, for their invaluable insights and rigorous examination of my work. Their critical evaluation and thoughtful suggestions significantly strengthened the quality of this

dissertation. Their expertise in their respective fields provided me with diverse perspectives, enriching the depth and breadth of my research. I am grateful for the time and effort they invested in shaping this scholarly endeavor. I want to express my deep appreciation to Dr. A. K. Mishra, Head of the Department of Humanistic Studies, for his consistent support and encouragement.

My gratitude extends to my family, whose unwavering support has been my bedrock. Their love, understanding, and encouragement provided the emotional sustenance needed to navigate the challenges of a PhD. To my friends and colleagues, thank you for the camaraderie, shared laughter, and intellectual exchanges that made the academic journey more enjoyable. Your diverse perspectives and shared experiences added a unique dimension to my growth as a researcher.

I am profoundly grateful to the research participants whose invaluable contributions have been integral to the success of this journey. Your experiences have not only shaped the findings of this research but have also contributed to the broader discourse in the field. The collaborative effort between researcher and participant is a cornerstone of meaningful research, and I extend my sincere appreciation to everyone who generously dedicated their time and shared their valuable experiences, making this academic endeavor possible.

Finally, as I reflect on this academic journey, I want to acknowledge the divine guidance that has been ever-present. I am grateful to God for providing me with the strength, resilience, and wisdom needed to navigate the challenges of pursuing a PhD. This achievement is a culmination of collective efforts, and I humbly offer my thanks to the Almighty for His guidance and grace throughout this journey.

Shivam Dwivedi
