# CERTIFICATE

---

It is certified that the work contained in the thesis titled "***Green Approaches for the Synthesis of Some Biologically Relevant Nitrogen and Sulphur containing Organic Compounds***" by "***Khushbu Rajput***" has been carried out under my supervision, and this work has not been submitted elsewhere for a degree.

It is further certified that the student has fulfilled all the requirements of Comprehensive, Candidacy, and SOTA.

# DECLARATION BY THE CANDIDATE

I, "*Khushbu Rajput*" certify that the work embodied in this thesis is my bonafide work and was carried out by me under the supervision of "*Prof. Vandana Srivastava*" from "*July 2019*" to "*2024*" at the "*Department of Chemistry, Indian Institute of Technology, Banaras Hindu University, Varanasi*". The matter embodied in this thesis has not been submitted for the award of any other degree/diploma. I declare that I have faithfully acknowledged and given credits to the research workers wherever their works have been cited in my work in this thesis. I further declare that I have not willfully copied any other's work, paragraphs, text, data, results etc., reported in journals, books, magazines, reports, dissertations, theses, etc., or available at websites and have not included them in this thesis and have not cited as my work.

I ardently thank my seniors, **Dr. Pratibha Verma, Dr. Swati Chauhan, Dr. Salman, Dr. Vishal Singh**, and lab members **Priya Mahaur, Shubhi Dwivedi** and **Bobby Jaiswal** for their kind support and encouragement. Many thanks to all my fellow batchmates for the fun we have had in the last four and a half years. I am also very thankful to my roommates, **Pooja** and **Anshu**, for always supporting and listening to me in times of need.

Words are not enough to express my deepest hearty wishes to my most respected mother (**Mrs. Chanchal Devi**), father (**Mr. Dalveer Singh**), sister (**Dr. Sujata Rajput**), jija ji (**Dr. Ayush Kumar**), and brother (**Vivek Dr. Siddharath, and Kunal**). I want to thank **Ankit Chauhan** for understanding and encouraging me to achieve my goals. I couldn't have done this without your support.

My special thanks to the 'corona warriors' for their undiluted courage, selflessness, determination, and focus in ensuring that India remains on track in these difficult times.

I take this opportunity to register my sincere thanks to the Department of Chemistry, Indian Institute of Technology (BHU), for a research fellowship and valuable pecuniary support.
