ACKNOWLEDGEMENTS

Though words are seldom sufficient to express gratitude and feeling, it somehow gives me an opportunity to acknowledge those who helped me during the course of my study.

I wish to express my deep sense of appreciation and everlasting indebtedness to my supervisor, Prof. Ram Sharan Singh, Department of Chemical Engineering & Technology, IIT (BHU) Varanasi for his meticulous guidance and whole hearted cooperation in carrying out this work. His inspiring comments and suggestions motivated me to continue my research work. From his remarkable support and advice during my PhD studies, I gained a lot of experience and knowledge which will help me in future.

I would like to thank Prof. M. K. Mondal (Head), Department of Chemical Engineering & Technology, IIT (BHU) Varanasi and Prof. V. L. Yadav, Former-Head of the Department for encouraging me and providing me all the facilities to carry out my research work.

I would also like to express my sincere thanks to Research performance evaluation committee (RPEC) members, Prof. S. K. Sharma, Department of Mining Engineering, IIT (BHU) Varanasi, Dr. Ankur Verma, and Dr. Ravi Prakash Jaiswal, Department of Chemical Engineering & Technology, IIT (BHU) Varanasi for their stimulating help and comments, which incited me to widen my research from various perspectives. I wish to express deep regards to all the faculty members of the Department of Chemical Engineering & Technology, IIT (BHU) Varanasi for their kind support at all moments during the progress of my research.

I express my sincere thanks to Prof. B. N. Rai, Dr. Kirpa Ram, Dr. Mukunda M. Gogoi, Prof. Suresh S Babu, Dr. Tirthanker Baneerjee, Prof. Rajiv Bhatla, Prof. Abhay Kumar Singh and Dr. Balendu Shekher Giri for their constant support and motivation throughout the work. I am grateful to Mr. Sudhir Kumar, Mr. Ajay Yadav, Mr. Varun Kumar and Mr. Rakesh Kumar Chaudhary for the assistance extended by them time to time during the research work. I am also grateful to all office staff of the department and authorities of IIT (BHU) Varanasi for their kind help to complete the thesis work.

I acknowledge the staff at the central instrument laboratory, incharge of various primises and Nagar Nigam Varanasi for their assistance in accessing crucial resources and facilitating my research process.
