# CERTIFICATE

It is certified that the work contained in the thesis entitled "*Wearable Sensors based Deep Learning Models and Algorithmic Development for Human Activity Recognition*" by "*Tanushree Meena*" has been carried out under our supervision and that this work has not been submitted elsewhere for a degree.

It is further certified that the student has fulfilled all the requirements of Comprehensive Examination, Candidacy, and SOTA for the award of Ph.D. Degree.

## DECLARATION BY THE CANDIDATE

I, "*Tanushree Meena*", certify that the work embodied in this thesis is my own bona fide work and carried out by me under the supervision of *Dr. Kishor P. Sarawadekar* from 2017 to 2023 at the *Department of Electronics Engineering, Indian Institute of Technology (BHU), Varanasi*. The matter embodied in this thesis has not been submitted for the award of any other degree/diploma elsewhere. I declare that I have faithfully acknowledged and accredited to the research communities wherever their works have been cited in the accomplished of this thesis. I further declare that I have not intentionally copied any other's work, paragraphs, text, data, results, *etc.*, reported in journals, books, magazines, reports, dissertations, theses, *etc.*, or available at websites and have not included them in this thesis or cited as my own work.
