

ACKNOWLEDGEMENTS

Through words are seldom sufficient to express gratitude and feelings, it somehow gives me an opportunity to acknowledge those who helped me during the course of my study.

I express my deep sense of gratitude and indebtedness towards my Supervisor Dr. Devendra Mohan, Professor, Department of Civil Engineering and my Co-Supervisor Dr. Ram Prasad, Professor, Department of Chemical Engineering & Technology, Indian Institute of Technology (Banaras Hindu University) Varanasi, for providing unwavering support, encouragement and consummate feedback throughout the course of this study and in the preparation of this thesis. Without their illustrious guidance, this thesis would not have seen the light of the day.

I would like to thank Prof. Devendra Mohan and Prof. Prabhat Kumar Singh (Head), Department of Civil Engineering, Indian Institute of Technology (Banaras Hindu University) Varanasi, for encouraging me and providing me all facilities to carry out my research work.

I would also like to express my sincere thanks to RPEC members, Prof. Shyam Bihari Dwivedi, Department of Civil Engineering, and Prof. Dhanesh Tiwary, Department of Chemistry, Indian Institute of Technology (Banaras Hindu University) Varanasi, for their stimulating help and criticism, which incited me to widen my research from various perspectives.

With a deep sense of gratitude, I express my sincere thanks to Central Instrument Facility Centre (CIFC), Indian Institute of Technology (Banaras Hindu University) Varanasi, for the help in carrying out sample analysis. I am grateful to Mr. Lal Bahadur Ram, Laboratory Assistant, Department of Chemical Engineering & Technology, Indian Institute of Technology (Banaras Hindu University) Varanasi, for the assistance extended by him time to time during this research work. I am also grateful

to all Laboratory staff, Mr. Hira Lal, Mr. Sankar Ram and all other supporting staffs of Department of Civil Engineering, Indian Institute of Technology (Banaras Hindu University) Varanasi, for the assistance and help in this research work.

I am thankful to my fellow friends Mr. Ganesh Chandra Dhal, Mr. Deepak Yadav, Miss. Suverna Trivedi, Mrs. Anupama Mishra, Mrs. Pratichi Singh, Mr. Arnab Pandey, Mr. Satya Prakash Murya and juniors for the thought-provoking discussions, for their support, cooperation and sincere help in many ways.

My parents have been my best mentors, preparing me for life in its various aspects. There are no words to express my gratitude for all the selfless efforts they made. Finally, I bow with reverence and gratitude to thank the Almighty who has enriched me with such an excellent opportunity and infused the power in my mind to fulfill the work assigned to me.
